2019-2020 Year End Newsletter  
Associate Member Renewal  
June 18, 2020

### Hello Members of SV Cyber Lions,

It has been a very good year for SV Cyber Lions. We have so many programs & projects which we are currently working on and would continue with your help and support. The BODs and Members of our Club around the World want to thank you for supporting of our Club's successful Services & Programs.

Congratulations is in order for your Club. SVCLC was the first Club in Northern America to achieve the "Visionary Model Club" Level. The BODs must thank all members who supports this club and have made donations to achieve this level - basically at this level it means our global club members as a whole have made enough donations to LCIF, and that represent a \$750 per member donation since 2017. Please let us know if you want to become a Melvin Jones Fellow to support one of the greatest Humanitarian Service Organizations.

Together with Legacy Through Giving Foundation, our Club's charity arm, SVCLC initiated a 1<sup>st</sup> COVID-19 Fund Drive to purchase masks and gloves for Lions of China. Now, Lions of Beijing are donating about 20-30,000 masks to support our Pandemic needs. **To promote good fellowship between Lions and our two countries, SVCLC BODs has decided to give 100 masks to ALL Club Members and Clubs in the District for their service programs.
